**C1:** Shows **remarkable fluency and ease of expression**. Consistently maintains a **high degree of grammatical accuracy**; **errors are rare** and difficult to spot. Occasional 'slips' or non-systematic errors and minor flaws in sentence structure may still occur, but they are rare and can often be corrected in retrospect. Has a good command of a **broad lexical repertoire** allowing gaps to be readily overcome with circumlocutions; little obvious searching for expressions or avoidance strategies. Good command of **idiomatic expressions** and **colloquialisms**. Occasional minor slips, but no significant vocabulary errors. Can vary intonation and place sentence stress correctly in order to express finer shades of meaning.

**B2:** Shows a **relatively high degree of grammatical control**. Does not make mistakes which lead to misunderstanding. Communicates with **reasonable accuracy** in familiar contexts; **generally good** control though with noticeable **mother tongue influence**. Errors occur, but it is clear what he/she is trying to express. Has a good range of vocabulary for matters connected to his/her field and most general topics. Can vary formulation to avoid frequent repetition, but lexical gaps can still cause **some hesitation** and circumlocution. Lexical accuracy is generally high, though **some confusion and incorrect word choice** does occur without hindering communication. Has acquired a clear, natural, pronunciation and intonation.

**B1:** Uses reasonably accurately a grammatical repertoire of frequently used 'routines' and patterns associated with more predictable situations. Has a sufficient vocabulary to express him/herself with some circumlocutions on most topics pertinent to his/her everyday life such as family, hobbies and interests, work, travel, and current events. Has sufficient vocabulary to conduct routine, everyday transactions involving familiar situations and topics. Shows good control of **elementary vocabulary** but **major errors** still occur when expressing more complex thoughts or handling unfamiliar topics and situations. Pronunciation is clearly intelligible even if a **foreign accent** is evident and occasional mispronunciations occur. Can cope with a limited number of straightforward follow up questions, but may have to ask for repetition if the speech was rapid.
